

DANCING CLASSROOMS

From Our Participating Schools...

“Your manner with the children is just wonderful. You were able to get the dance concepts and social etiquette across to the children as well as involve the teachers in your lessons...they have learned to dance and be respectful – I congratulate you on a job well done. Thank you for your enthusiasm, energy, and professionalism.”

- *Manal Ashmawy, Assistant Principal, P.S. 146M, New York, NY*

“Every year, the students and teachers look forward to ballroom dancing. It has become an institution in our school. When we are dancing, we are exercising those social skills that often get lost in the academics. Dancing becomes a time to either begin or renew old friendships with classmates. We are looking forward to a wonderful new year.”

- *Ida Kivelevich, Teacher, CS 211, The Bronx, NY*

“For three years of our collaboration, our grade 4 students have learned to dance...and much more! They have learned how to carry themselves with pride and grace. They have learned to respond to others with courtesy and respect, and they have learned to love dancing. I am an enthusiastic supporter of this program and the very professional and dignified organization which has brought the program to us. I can endorse and support the American Ballroom Theater Company without reservation.”

- *Rober Froccaro, former Principal, PS 119, The Bronx, NY*

“American Ballroom brings to children a world long gone...a world which is civilized and chock full of values which we as a nation desperately need to restore.”

- *Sheryl Siegel, former Arts Coordinator, School District 4, New York, NY*

“Thank you so much for all the time, energy and enthusiasm you invested this year in the 5th grade! I know how much they learned, improved and enjoyed your classes. It was wonderful to have guest teachers bring their ballroom dance expertise to the students; what a terrific opportunity for them.”

- *Nellie Birnbaum, Dance Teacher, Manhattan School for Children PS 333, New York, NY*

“The lives of the fifth grade children of PS 11 have been tremendously enriched by having classes in American Ballroom Dancing for the last 7 years. This extraordinary company makes dancing a special gift for our children. They learn many complicated steps, a newfound sense of self-respect and respect for others, a great deal about listening and following directions and last but not least they have a great time.”

- *Francis Del Monaco, Principal, PS 11, New York, NY*

“Dance is art with sound – Dance is exciting and fund – Dance is quite nifty!”

- *Christian Gomes, Student at Class 5-407, PS 150, Queens, NY*
