

REQUEST TO CHANGE CLASS

Dear Parent/Guardian,

Thank you for being a part of Dancing Classrooms Academy. Class sizes are limited and we do our very best to keep the gender balance even. The program is a year long commitment and we ask that you commit for the year to whatever time you have signed up for. However, we realize things do happen and sometimes this is just not possible. If you'd like to change your class day/time we ask that you fill out this form. While we do our best to accommodate everyone, this form does not guarantee that the change will happen.

Please drop this off at studio or email: Saturday@dancingclassrooms.com
